SOFT FLORÁL

AH45-010

Description:

Softener with magnolia and wild flowers fragrance. The micro-encapsulated fragrance resists to high temperatures, thus leaving a long-lasting and intense scent on the garments. This softener makes clothes pleasantly soft and easy to iron.

- Thanks to its high concentration, it ensures softness and perfume even with a small dosage
- Latest-generation micro-encapsulated fragrance
- Formula enriched with fragrance fixatives
- Active on all kinds of fibres
- Phosphates free
- It makes ironing easier

Directions for use:

Hypnosense Soft has to be used in the last rinse, with a limited water level. Thanks to particular additives it guarantees a high hygienising effect and a fragrance that remains even after drying.
