

Technical Data Sheet

All-round bleach for **whites** and **colours**.

- › Efficiently eliminates difficult stains.
- › Active bleach at cold temperatures (20-30°C). It guarantees an excellent white degree.
- › Revives colours.
- › Hygienises even at low temperatures (20-30°C)
- › Does not damage fibres.
- › Can be used as pre-spotter as well. Very efficient on mould stains.

Hygientfresh®
OxOn Professional

Technical Data Sheet

Method of use: Hygienfresh OxOn can be used on both natural and synthetic garments.

Dosage in ml of product per kg of dry garment with machine fully loaded

Soiling	Pre-wash
Light soiling	3 ml/Kg
Medium soiling	5 ml/kg
Heavy soiling	7 ml/kg

If used as pretreatment, apply the product directly to the stain and then wash the garment.
