

# Technical Data Sheet

## DEOCAPS Wild Orchid

### A73-910

#### Description:

Multifunctional scented spray: it perfumes rooms and fabrics. It helps ironing and cleans.

- High concentration of Wild Orchid essence.
- With microcapsules that make the perfume last longer. The clothes will still be perfumed after some weeks.
- It contains surfactants that clean, remove dust and decrease static electricity.
- It makes ironing easier.
- Super intense and long-lasting scent.

#### Directions for use:

**It perfumes:** Spray directly on fabrics or in the air, to have a pleasant long-lasting scent.

**It cleans:** Spray on a dry cloth to remove dust and clean the furniture. It is better to avoid direct use on computer and television screens.

**Ironing water:** Spray directly on clothes while ironing, to remove wrinkles and make ironing easier.

**Warning:** before using the product on fabrics, try the product on a hidden part.
